# A PASSION BORN *from taste*

Explore the excellence of our **sliced deli meats**, resulting from the meticulous selection of the most authentic traditions of Italian butchery. Each slice is crafted with the utmost care and **placed by hand into practical trays**, designed to preserve the fragrance and unmistakable taste that only Levoni can offer.

This year, we have created unique combinations designed to showcase **the very best of our recipes** for a captivating taste experience that will delight deli meat lovers from the first bite.

# SUSTAINABILITY AND ANIMAL WELFARE

Every day, we work with an **awareness of the impact our actions have on the environment and people**. This is why we have embarked on a path towards **sustainable development**, enabling us to measure and assess the consequences of our business choices on the world around us.

We believe that **economic, environmental, and social sustainability** are core pillars of our company's long-term growth. With this in mind, Levoni has taken a significant step forward by becoming a **Benefit Corporation**, effective **January 2025**.

Among our main objectives is the promotion of practices that support **animal welfare throughout the sliced deli meats supply chain**, because our commitment to a better future starts with respect and responsibility at every stage of our production process.

# KIWA CERTIFICATION
