HAND-MADE

KNOW-HOW

From receipt of raw materials to delivery

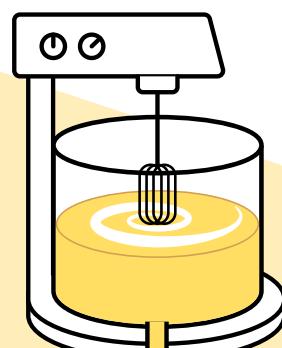

We source only high-quality, locally selected ingredients : like flour, fresh eggs, and pure vegetable oils to ensure every waffle starts with the best foundation.

Traceable raw materials that respect tradition, meet applicable standards, and guarantee an authentic Belgian taste in every bite. All recipes are 100% non-GMO and free from artificial colorants or preservatives.

RAW MATERIALS

Quality begins at the source

MIXING

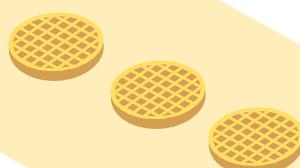

Crafting the perfect batter

BATTER DEPOSITING & BAKING

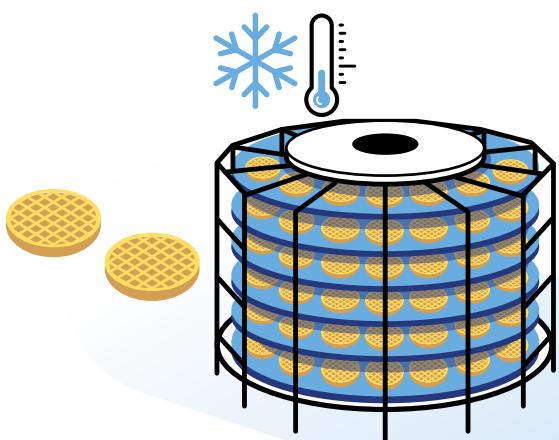

Tradition meets precision

CONSTANT
**QUALITY
INSPECTION**

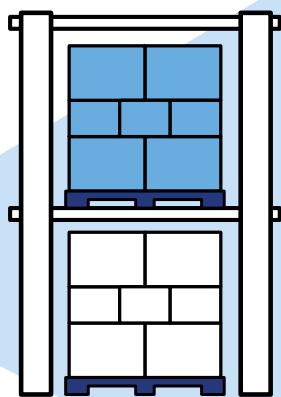

COOLING

All ingredients are precisely dosed and gently blended into a smooth, homogeneous batter in our state-of-the-art mixers, ensuring perfect consistency, texture, and flavor. Whether it's our classic recipe, wholegrain, vegan or chocolate variant, every batch is carefully monitored for quality and readiness.

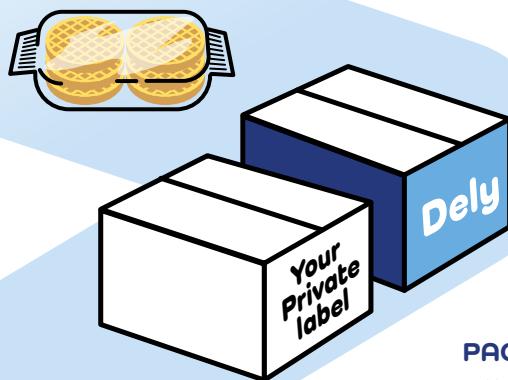

FREEZING

Deep freeze,
peak quality

STORAGE

Frozen, safe and sorted.
High-capacity cold
warehouse

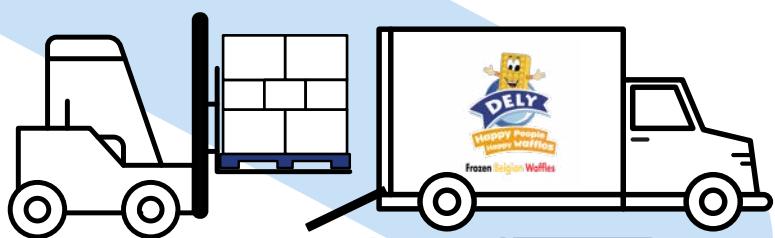

PACKAGING

Each waffle is automatically packed into flow packs, retail boxes or bulk formats, with private label or Dely branding options.

All packaging is designed to maintain freshness, meet regulatory standards, and visually appeal to consumers in both retail and foodservice channels.

BELGIAN WAFFLES BRUSSELS MINI 40g

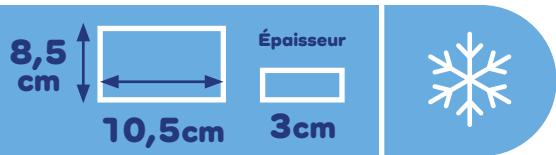

*Light, Crisp Treat
for Breakfast
or Dessert,*

**You Can Enjoy
Straight From Freezer**

Our Mini Belgian Waffles (40g) are crafted from a traditional Brussels recipe: light, airy dough with a perfectly crisp bite.

Not overly sweet, just delightfully balanced. GMO-free and baked to perfection, they are a versatile treat. Ideal for both breakfast and dessert. Serve straight from the freezer for ultimate convenience.

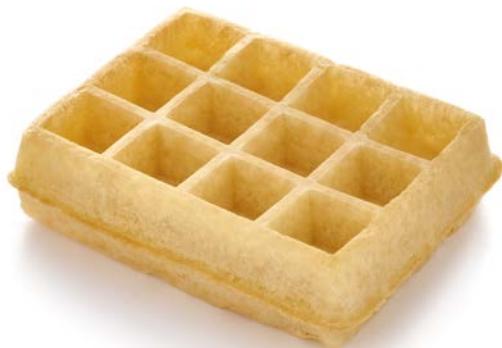

*A traditional product
that brings authentic Belgian
quality to every moment.*

BELGIAN WAFFLES BRUSSELS MAXI 80g

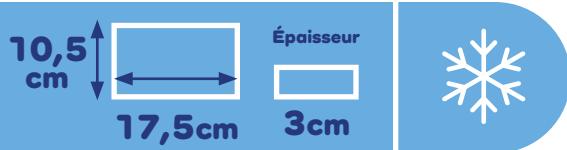

*Larger, Crisp
and Perfect for
Toppings*

**You Can Enjoy
Straight From Freezer**

Our 80g Belgian Brussels Waffles bring the same light, crisp, GMO-free quality as the 40g version, now in a larger format.

Perfectly suited for traditional dessert plating, they're an ideal base for fresh toppings like cream, fruit or chocolate. Conveniently frozen and easy to prepare, these waffles offer indulgence with zero hassle. Authentic, airy, and beautifully golden. Ready to elevate any dessert moment.
